

**BD\_SW\_2B\_25 TCS Up / Down, 2 button left handlebar race switch for Yamaha R1 2012 > 2014**

This switch is a direct replacement for the standard left side assembly on the Yamaha R1 up to 2014 with TCS

This aluminium assembly has been designed ultra-slim and encompasses two sealed green alternate action switches to replicate the standard rocker switch

No modification of the bike wiring is necessary, this kit plugs directly into the white 3 way connector of the standard loom.

For the mating right switch please refer to part number BD-SW-3B-10 as seen here
